College Counseling Grade 12

Students will develop their own system, which will allow them to coordinate 9-15 applications, SAT/ACT scores, scholarship information, and recommendation requests. Some suggestions: accordion files, file boxes, individual files etc. It may be better to wait until week two of school to purchase, as students will have a better understanding of what is needed.

Books

Please see the following book list. Books can be purchased by students new or used; all students are responsible for having the exact edition of each book (unless noted), please shop by ISBN number – just type it into the search – many novels are available for under \$1.00 used and in good condition. **These are required texts; all students will be responsible for having each book in the correct addition.**

Please order only the books for the classes that your student will be taking. If the school has to provide a student with a text, they will be billed at the school's cost.

ALL supplies should be *clearly labeled* with the name of the student! Please be aware that it may be necessary to purchase additional supplies as the year progresses.
